
Opening for oracle lead(wipro)

Posted by sam - 2008/03/09 11:15

srinivasan.krishnamoorthy1@wipro.com

You are invited to a people-intensive, on-the-edge of technology powered environment.

Wipro Technologies is a global provider of consulting, IT Services, and outsourced R&D, infrastructure outsourcing and business process services. We deliver technology-driven business solutions that meet the strategic objectives of Global 2000 customers. With over 25 years in the Information Technology business, Wipro is the largest outsourced R & D Services provider and one of the pioneers in the remote delivery of services.

We deliver unmatched business value to customers through a combination of process excellence, quality frameworks and service delivery innovation. Wipro is the World's first PCMM, CMM and CMMi Level 5 certified software Services Company and the first outside USA to receive the IEEE Software Process Award. We are the first services company to embrace Six Sigma, lean manufacturing and factory model concepts to software engineering.

We have a wide geographical diversity of operations with over 40 development centers and 10 near shore centers spread across India, Japan, China, Eastern Europe, France, Austria, Sweden, Germany, UK and USA.

To be a part of the immensely talented 'Wiproite' family we invite you to let us consider your profile. The requirement for which we would be considering your profile is;
